

DISCOVERY - V-NOSE

The DISCOVERY range of aluminium boats have been designed for the fishing enthusiast who desires more than just a tinnie. Standard with paint inside and out, this model is not only protected from the marine environment, but looks impressive as well. A rear casting platform provides a high vantage point to sight and flick lures at those elusive fish with a tank rack underneath for additional storage. With a plumbed live bait tank ready to keep your bait fish alive and well, the DISCOVERY range of aluminium boats will provide you with every chance of a successful day fishing.
