

SEEKER - RUNABOUT

For an entry level runabout with more than just basic features, you can't go past our Seeker range of aluminium boats. A carpeted floor forward of the rear thwart seat allows for easy movement around the craft with a drop down floor in the cockpit area creating welcomed leg room. An opening windscreen allows for simple access to the anchorwell and bollard tie off point while a full tank rack effortlessly holds a fuel tank and battery if need be. Seating comes in the form of standard folding upholstered pedestals with a rear thwart seat for additional passengers. The Seeker comes well equipped to make your boating experience a pleasant one.
